(I dati riportati nella presente scheda tecnica, anche se riportati con la migliore approssimazione possibile, sono da considerarsi tuttavia indicativi)
(The data reported in this technical sheet, even though reported with best possible approximation, should however be considered indicative)

Campione “ZEN” di Metalway S.r.l.

f [Hz]	α_p [-]
Frequenza	Valori del coefficiente di assorbimento acustico pratico
125	0,15
250	0,55
500	0,95
1000	1,00
2000	0,90
4000	0,90

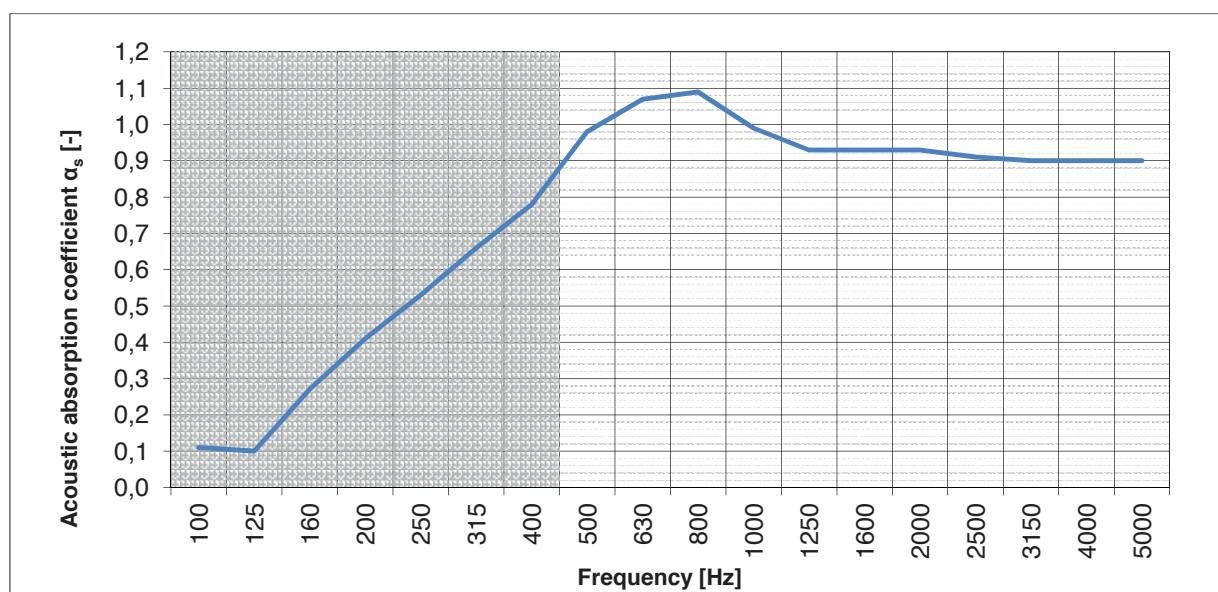

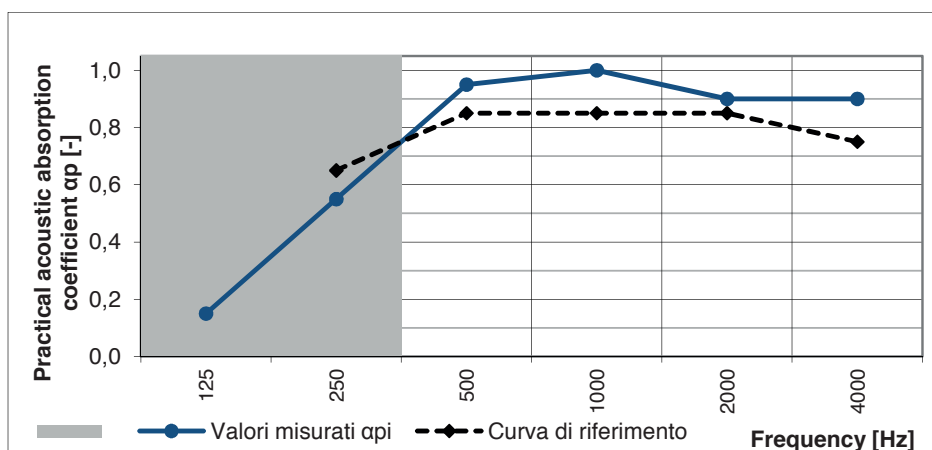

La misura dei coefficienti di assorbimento acustico in camera riverberante è avvenuta in conformità con la norma UNI EN ISO 354:2003.

Il calcolo dell'indice di valutazione α_w e la determinazione della classe acustica è avvenuta in conformità con la norma UNI EN ISO 11654:1998.

Il range di frequenza di interesse riportato nel presente documento si riferisce alle frequenze del parlato, come richiesto dal committente, con bande di frequenza in 1/3 di ottava con frequenze centrali tra 500 Hz e 2000 Hz. **Nel range di frequenza del parlato, il campione denominato “ZEN” si colloca, come prestazioni di assorbimento acustico, in Classe A.**

Sample “ZEN” by Metalway S.r.l.

f [Hz]	α_p [-]
Frequency	Acoustic absorption coefficient values
125	0.15
250	0.55
500	0.95
1000	1.00
2000	0.90
4000	0.90

The acoustic absorption coefficients are measured in a reverberation room, according to the ISO 354:2003. The acoustic absorption index α_w and the acoustic class are evaluated according to the ISO 11654:1998.

The frequency range of interest, the voice frequency with 1/3 bands and central frequencies from 500 Hz to 2000 Hz, are reported in this document, as requested by the committee. **The acoustic absorption class of sample “ZEN” is the A Class, in the voice frequency.**

SCHEMA

details

- Nell'imballo ci sono 7 pannelli, 7 staffe di fissaggio, dime di foratura, velcro e libretto di istruzioni per il montaggio con esempi di alcune figure – le viti non sono incluse.
In the packaging there are 7 panels, 7 wall mounting brackets, drilling jig, velcro and instruction booklet with examples of possible shapes – the screws are not included.

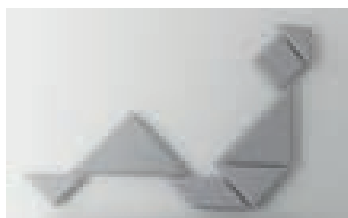

- Il pannello si aggancia alla staffa tramite velcro.
The panel is hooked to the bracket by velcro.

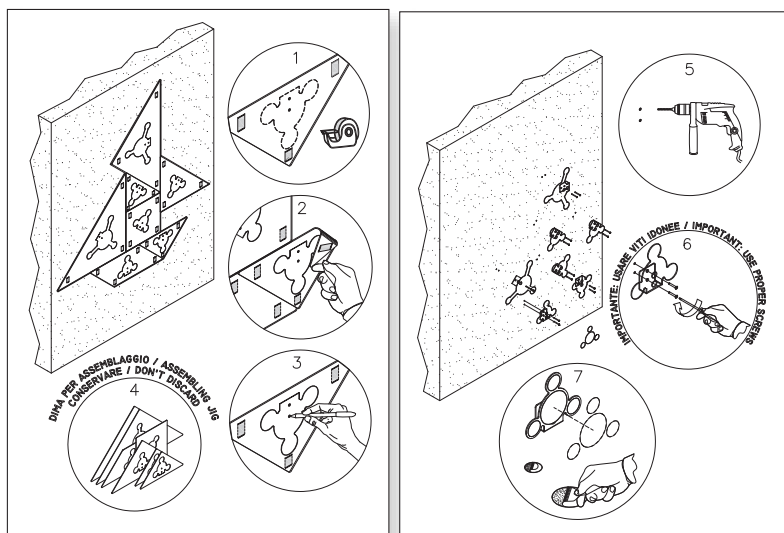

- Staffa di fissaggio in acciaio da 2,5 mm.
Wall bracket in steel of 2,5mm.

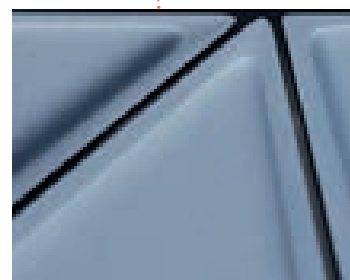

- Mescolando i 7 pannelli si possono ottenere fino a 6500 forme diverse.
Mixing the 7 panels you can get 6500 different shapes.

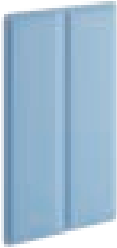

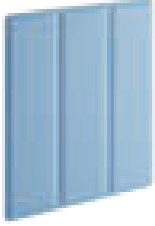

- Dima di foratura per le prove di fissaggio a muro.
Drilling jig for wall mounting tests.

- Spigoli arrotondati per uso in ambienti per bambini.
Round corners to be used in children environment.

SCHEMA details

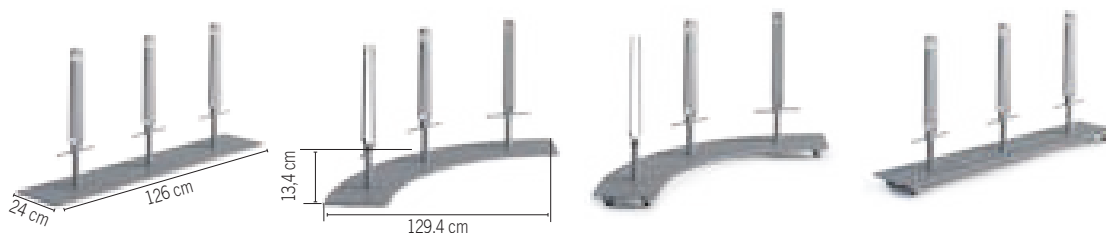

Base in metallo sp 80/10 con e senza ruote per facilitare lo spostamento. Diapason di sostegno sp 50/10 perfettamente sagomato come il pannello per una tenuta a pressione senza necessità di ferramenta.
Steel Base sp 80/10 with and without castors to facilitate movement of the panels. The forks of support sp. 50/10 are perfectly molded to the panel shape to hold it tightly without the need of hardware.

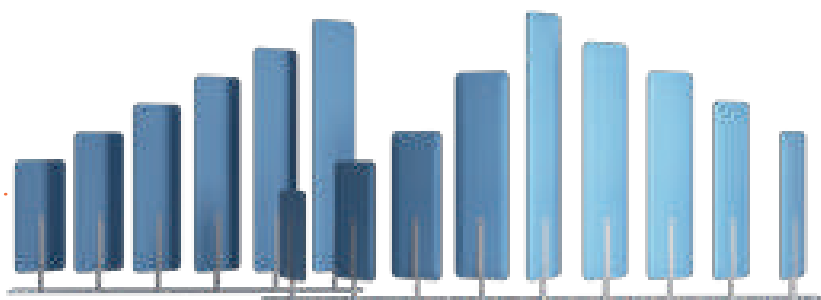

Struttura Privacy free standing orientabile, può essere usata con tutte le altezze dei pannelli disponibili.
Free standing Privacy swiveling support can be used with all the sizes of panels available.

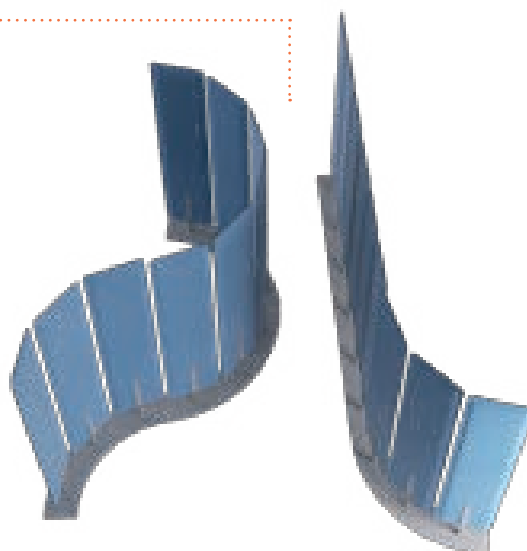

Base in metallo sp 80/10 con e senza ruote, lineari e curve per l'alloggiamento di 3 pannelli verticali.
Steel base with sp 80/10 with or without castors, linear or curved, to hold 3 vertical panels.

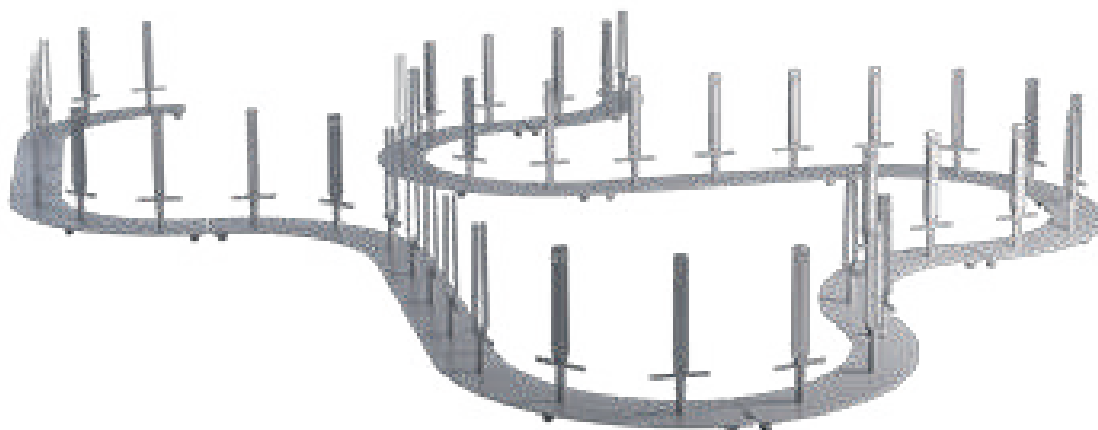

■ Tutti i pannelli disponibili nella gamma Zen sono alloggiabili nei supporti privacy.
All the panels of Zen collection can be used on the Privacy supports.

■ Il meccanismo di rotazione a 360° dei pannelli garantisce ottima versatilità per ogni ambiente.
The 360° rotation mechanism in each single support allows the flexibility in any environment.

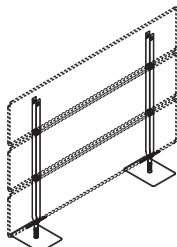

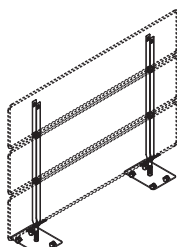

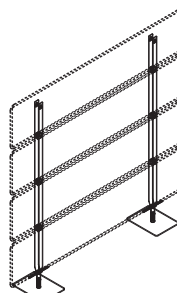

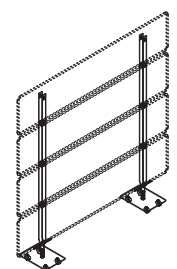

■ La flessibilità delle due basi lineare e curva offre la possibilità di creare e diversificare ogni ambiente, separando senza divisione.
The flexibility of the 2 bases, linear and curved allows the conception of different environment creating separation without division.

NB. Questa coppia di supporti formata da 1 staffa centrale e da 1 morsetto laterale si può utilizzare solo per il modello 5th element® della LAS Mobili. In caso di attrezzaggio di scrivania bench frontale è necessario acquistare un'altra coppia di morsetti per il fissaggio di un altro pannello divisorio laterale.
Please note: This pair of supports made of 1 central bracket and 1 side clamp can only be used for the 5th element® of LAS Mobili. In case of front bench desk, another pair of clamps to install another side divider panel must be purchased.

SCHEMA details

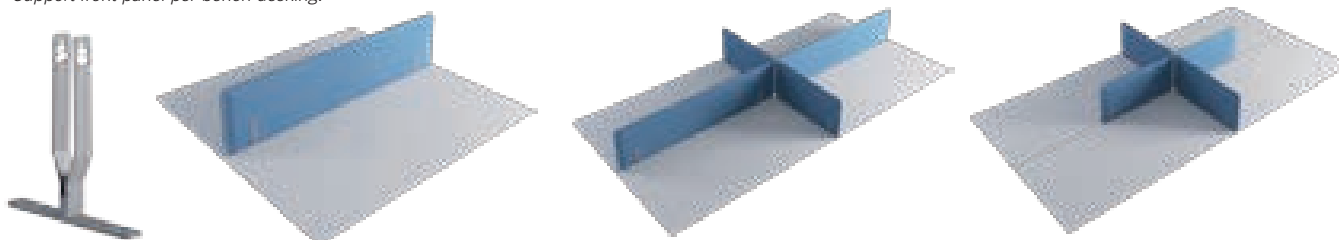

- Supporto per front panel postazione singola.
Support for single workstation front panel.

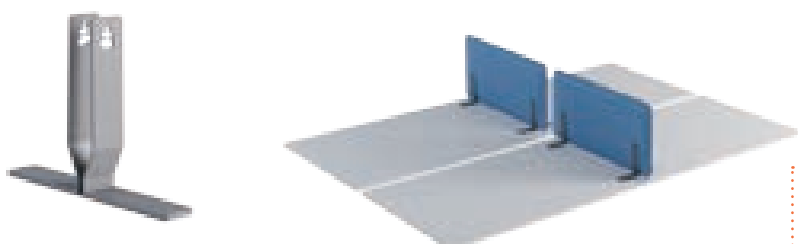

- I differenti supporti per il pannello frontale per scrivanie offrono vantaggi di configurazioni sia per postazioni singole che per bench desking. Il morsetto è la soluzione ideale per l'utente che non vuole forare il piano di lavoro.
The multiple choice for the front panel support allows the possibility of many configurations either for single workstation or bench desking. The clamp is a good solution to avoid drilling the worktop.

- Supporto per front panel da bench desking.
Support front panel per bench desking.

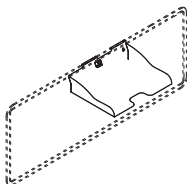

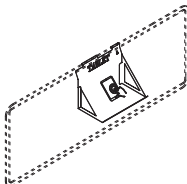

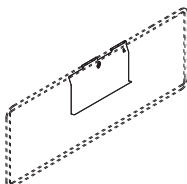

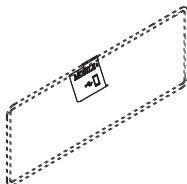

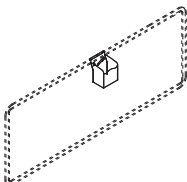

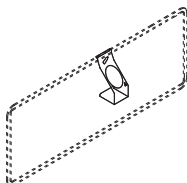

- Coppia supporti per front panel da appoggio.
Set of 2 brackets for panel self supporting.

SCHEMA

details

Sul bordo del pannello frontale da scrivania è possibile agganciare accessori strategici accessori per migliorare l'efficienza del piano di lavoro o semplicemente decorare la scrivania.
On the edge of the workstation front panel it's possible to hook strategical accessories to improve the efficiency of the worktop or simply decorate the desk.

Il profilo di aggancio accessori - **brevetto Metalway** - offre la possibilità di alloggiare accessori complanari ai due lati del pannello permettendo ad entrambi gli operatori di usufruire di tutto lo spazio disponibile senza interruzioni.
The edge to hook the accessories - **patented Metalway** - offers the possibility to have two accessories at time for both operators to take advantage of all available space without interruptions.
